

February Minutes & Stuff

President Robbie Bridges called the general meeting to order at 8 PM. All Officers were as usual. Robbie started with a brief description of tonight's raffle prizes, which included some of those well received Lucas Film Tee Shirts, much software and some drives.

Our Premier Dirty Old Man, Bob Scholar, presented this months Floppy. Bob is slowly, very slowly, working his way back into full production - this months Floppy is a good example, it contains a single program. The program is a text adventure game that is supposed to be very good. The Floppy was demonstrated using Bob Woolley's 1200XL with its notebook Hard drive. A very sanitary setup that allows for almost instant loading of programs. After years of listening to the 8 Bit load beeps, it's a real treat. This is one of Woolley's better ideas. (The only one)

After insulting everybody with the usual crooked raffle the meeting was adjourned at 9:30 PM.

Jim Moran
Secretary

Stuff:

As we all know, Robbie has a new computer and to hear him tell it everything is perfect, no problems! Well we received some inside information that Robbie called his computers Technical support department complaining that his new computer wouldn't load his old word processor files that he had on 5 ¼" floppies. The tech crew checked everything, The drive itself, RF interference, magnets, heat and couldn't find any problems. To make a long story short, it seems Robbie had loaded his files on the floppies, attached the labels, and then rolled them in his typewriter to type the labels.

Think that's bad? Joe Castro called complaining that his fax program wouldn't work. Turns out Joe was holding the letter he wanted to fax against the monitor screen and pushing the send key. (*jeez... everbuddy knows it's the PrintScreen key!*)

GENERAL MEETING

**TUESDAY
MARCH 4th 1997**

8:00PM

San Leandro Community Library
300 Estudillo Avenue - San
Leandro

**Get on Pac Bell's Toll Road to the
Information SuperHighway...**
